

7mm Grille Security

SECURITY SCREEN DOORS & WINDOWS

Stop Thief Security offer a wide range of window and door grille options that will improve the security of your home. 7mm Grille Security is perfectly suited to a wide range of window applications as well as both hinged and sliding doors.

Finding the right balance between appearance and performance is not always easy. Stop Thief Security's wide range of designs and proven quality ensure security requirements for any home can be met. All products are custom made to enhance the design of your home.

Our 7mm Grille Security has a 7mm strand thickness and is riveted to Australian Standards (max 300mm spacings) and has been tested to meet the requirements of the Australian Security Door Standard AS5039.

7mm Grille Security doors come standard with a single lock with the option of upgrading to a triple lock, if requested. A standard fiberglass mesh is installed into each screen, but can also be upgraded to a paw proof mesh or aluminium mesh (for fire rated areas).

“When it comes to securing your home 7mm Grille Security is the smart choice”

STANDARD 7mm DIAMOND GRILLE

Key Features:

7mm Grille Security is made from special Tempered Aluminium for greater strength and increased peace of mind. When combined with quality framing and hardware, 7mm Grille Security offers a good looking, low maintenance protection for your home.

Various decorative panel designs are also available, ideal for front entry doors. Available in limited hinged and sliding door widths.

7mm Grille Security for custom-made sliding doors provides optimum protection and smooth operation. Adjustment screws for rollers face inside the door out of an intruders reach.

We have a wide range of standard colours available and also offer the option of premium powder-coated colours, if required.

Security doors made from quality 7mm Grille can be fitted with the extra feature of a 3 Point (triple) Lock. Three interlocking security hinges deter even the most persistent intruder.

Stop Thief Security has a range of mesh options to complement your 7mm Grille Security Screens including Fibreglass, Aluminium, Paw Proof Pet Mesh and Stainless Steel flyscreen mesh.
